Collective Worship Policy

Agreed by the Governing Body on: January 2018

Scheduled Review Date: January 2020

Our Core Purpose

Believe, Achieve, Succeed

Our Vision

With God as our guide we are committed to:

- Developing curiosity by opening our children's minds to a limitless world of possibilities.
- Inspiring, challenging and supporting children to achieve and excel in a nurturing environment.
- Building a community through faith and mutual respect where each individual is valued and will thrive.

Introduction

1. We hold a daily act of collective worship in our school. The aim and purpose of this is that:

We believe that in our daily collective worship we try to create an occasion, which produces a variety of responses, one of which is worship. By providing different levels of interest and involvement all children will feel included whatever their beliefs or background. However, underpinning our collective worship are the core values of Christianity. It is our aim for children to 'keep their minds open' to learning from the faith and beliefs of others.

Collective worship

2. We understand worship to be a special act or occasion whose purpose is to show reverence to God. Collective worship involves all members of the school coming together and participating in an assembly.
3. As a Church of England school with a distinctive Christian character, we base our worship on the teachings of the Bible and traditions of the Christian Church. However, we conduct our worship in a manner that is sensitive to the individual faith and beliefs of all members of the school.
4. Themes change on a termly basis and include the schools core values. We take the themes of our collective worship from the traditions of the Christian faith and we often reflect the festivals and events of the Christian calendar. Sometimes the themes of our collective worship reflect and build on topics that we teach as part of the school curriculum, and other topical issues.
5. Eucharist is celebrated once a term for KS2 children led by the ministry team from St Bartholomew's Church.

Structure of collective worship

6. Although the format of collective worship will vary, the expectation is always that children are engaged, involved and reflective. Members of the ministry team from St Bartholomew's Church and invited speakers also lead collective worship.

Monday	Headteacher/ Deputy Head	Addressing the theme of the week
Tuesday	Headteacher	Choral worship
Wednesday	Class teachers	Celebrating the theme of the week
Thursday	Class teachers /SLT/ clergy/ visitors	Presenting and reflecting on theme or linked value
Friday	Class teachers	Class assembly

7. During collective worship there are opportunities for children to:
- pray and express praise and thanksgiving to God;
 - reflect on the attributes of God and the teachings of Jesus Christ;
 - promote and affirm Christian values and attitudes;
 - foster respect and unity;
 - share each other's joys and challenges;
 - celebrate special times in the Christian Calendar;
 - deepen their spiritual awareness and reflection.
8. Our class assemblies reflect the achievements and learning of the children. We encourage the children to participate in assemblies by showing their work or performing to the other children and raising issues that they have discussed in their classes. Class assemblies all have a Christian element to them. They also reflect the school's Christian values.
9. We invite parents to class assemblies, to Eucharist and to other key events such as Christmas, Harvest and Easter as well as events at church such as Education Sunday, school leavers' service etc. as this promotes the community spirit of the school and is a practical demonstration of the way the home and the school work together to support the achievements of our children.
10. We welcome Governors' attendance at our assemblies at any time.

Right of withdrawal

11. As a Church school we expect all children to attend collective worship. However, any parent can request permission for their child to be excused from attending religious worship. We will then hold a discussion with the parents. This complies with the 1944 Education Act and was restated in the 1988 Education Reform Act.
12. The Headteacher keeps a record of all children who withdraw from collective worship.

Monitoring and review

13. We review our collective worship regularly and include in this the views of any stakeholders, including the children.
14. This policy will be reviewed every two years.
