Dear Parents/Carers

It has come to our attention that some children have been using inappropriate social media websites to communicate outside of school.

It is important that children use the internet safely and responsibly. We would like to remind you that sites such as Facebook, Instagram, Snapchat, Twitter, Tumblr etc are restricted to users who are over the age of 13.

Overleaf are some useful tips for helping you to help your child stay safe online.

Please contact me if you have any questions.

Best Wishes

Mr S Larwood
