Leaving School Premises at the End of the Day (Y5/6)

I give my permission for my child:Class: to:

Walk home alone after school on the following days:

- Monday
- Tuesday
- Wednesday
- Thursday
- Friday

I understand that by giving this permission, responsibility for the welfare of my child reverts to me, once they have left school premises.

I have spoken to my child about road safety

I understand that the above named child cannot take responsibility for a younger sibling and that I need to make alternative arrangements for any younger children to be collected from school.
